Helping protect small business from online threats

Cyber Wardens is an initiative of the Council of Small Business Organisations of Australia, supported by the Australian Government and an industry alliance led by Telstra and CommBank.

Cyber Wardens

Cyber Wardens who have completed 'Level two: Cyber Wardens Safe AI' understand how to avoid AI-powered threats and scams, while also understanding the positive ways AI technologies can help their business.

They can:

- ✓ Identify simple ways AI technologies are used by small businesses
- ✓ Take simple steps to avoid emerging AI-powered scams
- ✓ Implement practical steps to minimise their risk of AI-powered threats
